Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 04 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain overnight, then windy and showery on Tuesday.

This Evening and Tonight:
Scattered showers at first, before a longer spell of rain arrives later this evening. This will be heavy in places with gusty winds. The rain will clear overnight leaving clear spells, but a continued risk of a few showers. Minimum temperature 8 deg C (46 deg F).

Tuesday:
Some sunny spells around first thing, but soon turning windy and cloudier with showers or longer spells of rain spreading southwards. Brightening up with sunny spells for western parts later. Maximum temperature 13 deg C (55 deg F).

Outlook for Wednesday to Friday:
Less windy on Wednesday, with some sunshine at times. Breezier and cloudier on Thursday, but mostly dry. Bright on Friday after morning mist and fog has lifted. Feeling warmer.
